## What is a School-Parent-Student Compact?

The School-Parent-Student Compact is a jointly developed written agreement between the parents, students and teachers. The compact is a component of your Title I school's Parental Involvement Plan/Policy. The purpose of the compact is to create guidelines for parents, students and teachers to follow in order to ensure that all students achieve grade level standards. The Compact will be reviewed with parents during the school year.

Compacts will include the following:
